

# Gors Community School

## March 2010

### Conduct of Parents on School Premises.

This is an important reminder to all parents about the need to be on "best behaviour" when either in the playground or within the school itself.

I have recently had reports about inappropriate language being used from one parent to another within earshot of children.

This is obviously offensive and unacceptable and will not be tolerated within the boundary of the school.

Thank you for your co-operation in ensuring there is no repeat of such unfortunate incidents.

### Dates for the term

March 22<sup>nd</sup> – 26<sup>th</sup> Year 3 and 4 Residential Week to Borfa House

Thursday 1<sup>st</sup> April – End of Term

Monday April 19<sup>th</sup> – Start of new term

Thursday May 6<sup>th</sup> – School Closed to children for Polling

Friday May 28<sup>th</sup> – end of Half Term

Monday 7<sup>th</sup> June – School restarts

### The School Driveway

There is excellent progress being made on the new school driveway. We have received many positive comments on what a difference it will make both to the appearance at the front of the school and to the safety of parents and children as they come into school.

### We need your help!

As a whole school art project we are making a large collage for the link corridor. If you have any old, colourful materials, cushion covers, beach sarongs, bedding etc- the brighter the better - then please send them in with your child. We shall be most grateful to add them to our box of material in preparation for the collage work.

Visit our school website for photos and news. A big thank you to Dr. Broad for managing this site so creatively.
