

Gors Community School Home/School Agreement

"Working together to achieve our best!"

Our aim is the creation of an experiential based curriculum, unique to our school and accessible to all. It will allow all children to learn and achieve through exploration and discovery, excitement and fun. Access to this curriculum, combined with the talent, commitment and enthusiasm of the teachers, underpinned by rigorous planning, will enable all children to achieve academically, also to learn about the world, their locality and people around them and become responsible and caring citizens.

We believe that in order to deliver our aims it is vital that parents and school work together in partnership.

Parent/Guardian

I / We shall try to:

- see that my child goes to school regularly, on time, properly equipped and in uniform
- encourage a good attitude to learning
- see that my child's homework is done and all school's property is taken care of
- support the school's rules, policies and guidelines on behaviour
- meet with the school to discuss my child's progress
- make sure someone can be contacted in emergencies
- tell the school of any concerns that I or my child might have
- inform the school of any absences

Signature

The School

Will:

- ensure the wellbeing of your child
- contact parents if there is a problem with attendance, punctuality or equipment
- provide a broad and balanced education based on the National Curriculum
- inform you about school matters and your child's progress
- maintain high expectations of teaching and learning and of behaviour
- give regular homework and contact you if there is a problem with it being returned regularly
- welcome you to the school at all times

Signature

The Pupil

I shall try to

- keep the school rules
- be kind, caring and helpful to everyone
- try my best in my school work and homework
- keep the school environment tidy and free from litter

Signature
